Chapter 3

Paul Atreides

The only son of Duke Leto Atreides I and Lady Jessica Atreides (née Nerus), Paul's early years were overshadowed by suspicions of him as the Kwisatz Haderach.

Is paul the *Lisan al-Gaib*? Probably! Who doesn't love a chosen one story trope?

Chapter 4

Lady Jessica

She was the official concubine of Duke Leto Atreides I, and the mother of his son, Emperor Paul Atreides, and daughter, Alia Atreides. She was also a Reverend Mother of the *Bene Gesserit* Sisterhood.
